

Bishop Conwell Holiday Tea and Cheer

December 18, 2011

Sunday, December 18 at The Washington Crossing Inn, Bishop Conwell Alumnae came together to reminisce about past times and catch up with one another. It has been eighteen years since young ladies walked alongside Connie the Cub in the halls of Bishop Conwell High School on Levittown Parkway, but that cannot erase the memories that were formed during their years there. Another Bishop Conwell gathering is being planned for Spring 2012. Details coming soon. The Alumni Association also sponsors additional alumni events throughout the year and welcomes all Bishop Conwell alumnae to attend, participate and never forget how their Alma Mater helped shape their lives.

Happy New Year
