

Cancellation of Classes 2010-2011

Please note that Conwell-Egan Catholic reserves the right to cancel or postpone any course in which there is an inadequate enrollment, lack of physical facilities, or staffing impossibility. Students requesting such courses will be notified and asked to make an alternate selection. After the Master Schedule is in its final form, any students who have requested courses scheduled in conflict situations will be notified of that fact and asked to make an alternate selection based on existing course options.
